

INTEGRATED FACILITY MANAGEMENT (IFM)

Whether it's protecting critical infrastructure or serving remote campsites, corporate campuses, or hospitals, Denali Universal Services (a Sodexo company) is dedicated to providing safe, customizable, and efficient support. We provide the right people, the right equipment and resources to help secure, maintain, and operate your facility. Under one roof, with one management team, we deliver security and onsite support like no one else.

GLOBAL EXPERTISE. LOCAL KNOWLEDGE.

Sodexo's global presence and resources gives us a unique competitive advantage no other Alaska company can offer when it comes to security and integrated facility management. DUS is a local company with a reputation for leadership, safety, scalability, and best-in-class service. Together we are the perfect combination to enhance the "Quality of Life" of your employees and provide turnkey integrated facility management services.
